DREAMSEAT.COM

Headquartered in Long Island, NY, DreamSeat, LLC was formed in 2006 as a means to personalizing and branding furniture for professional teams. We immediately became officially licensed by MLB and NBA and have expanded our licensing since then to include MLB, NBA, NHL, NASCAR, MLS, CFL, Military, ESPN, Ford, General Motors and over 150 colleges along with offering a long list of lifestyle logos. In 2009, DreamSeat arguably created one the industry's most revolutionary innovations, XZipit; a patented interchangeable logo panel system that allows the user the flexibility to change logos on XZipit furniture in seconds. It is widely used by homeowners along with a diverse variety of industries including but not limited to professional teams, colleges, high schools, corporations, auto dealerships, firehouses, casinos, beverage companies, hospitality suites, events and anywhere you sit. Custom logos have become a large portion of our business as we can personalize our furniture quickly without the customized price. XZipit branded furniture panels are proudly produced in-house in Commack, NY.
